Canvas Community Scholarship Program

Nominate a stellar student.

From late-night study sessions to academic decathlons to countless club meetings, your students have worked hard to prepare for college — and Canvas wants to reward them for it!

What's up for grabs.

We're giving away $40,000 in scholarships to 35 students representing high schools near each Canvas branch, and we need you to nominate them. Here's how we're breaking it down.

- 35 students will receive a $1,000 scholarship
- One superstar student will receive a bonus $5,000 scholarship based on merit
- Scholarship recipients will be honored at the 2027 Canvas Scholarship Banquet

Who we're looking for.

- Student is a high school senior with a valid Social Security Number
- Student is attending college within one year of high school graduation
- Student has maintained a 3.2 GPA or higher

What we're looking for.

- A 250-word narrative from the nominee about themselves and why they deserve the scholarship
- A photo of the nominee
- An academic resume including academic achievements, athletic participation, work experience, and community involvement
- An unofficial copy of their high school transcripts
- Contact info including phone number, personal email, school email, parent or guardian's email, and home address
- The college or university they'll be attending in 2027

Next Steps

We can't wait to learn more about your stellar student! All nominations and required documents should be sent to **scholarships@canvas.org** by 5 PM on February 28, 2027.

Winners will be announced at the 2027 Canvas Scholarship Banquet in Thornton on Saturday, May 8, 2027. All nominees must be able to attend the event.
