Fort Collins High School Alma Mater

Hail to thee, Fort Collins High School

We will ever faithful be.

Thou hast builded strong foundations,

Thou hast made the future free.

To the pillars firmly standing,

To the tower that guides our way,

Thou wilt lead our sons and daughters,

To the light of eternal day.

~ Roger Davidson

Traditions

* The first class to graduate from FCHS featured five students who graduated in 1891. The ceremony today is much the same as it was back then, except today we have over four hundred graduates.

* In 1942, graduating seniors were presented with red roses as they received their diplomas. This was in honor of the many seniors leaving to serve in World War II. Today we give them purple and yellow roses.

* In 1938, A Cappella choir sang, “The Lord Bless You and Keep You” for the first time. It was performed again in 1942 to honor seniors who were leaving to fight in World War II. Today, we uphold this tradition with the singing of “Go in Peace and Love” to recognize all who have served.

* During the war years, “The Battle Hymn of the Republic” was added to the music selections. Beginning in 2023, a new song was premiered to continue the tradition of honoring our past and looking to the future by recognizing the diversity of our entire FCHS community. Today, our FCHS musicians sing “We Lift Our Voices,” a musical composition with original poetry written by 2022 FCHS graduate, Adam May.

* A dignified ceremony is part of the commencement traditions at Fort Collins High School. We request that all students and their families be allowed to hear the graduates’ names as they are called. Please respect our tradition of a dignified ceremony by not interrupting with air horns, bells, whistles, beach balls, and silly string, etc.

We Lift Our Voices

Through times now seen as long ago
From fertile fields and thriving lambs
Through winter storms of wind and snow
From sacrificing, saving hands
Gifted freedom to us bestowed
The mountains seeming far below

The people watch the athlete’s plight
And listen to the music sweet
Uplifting all to glorious flight
A place for everyone to meet
A people split, now bound so tight
Where all can grow to stand upright

We gather now to lift an ear
Where past and future join as one
We lift our voices, joy to hear
The battle fought, the vict’ry won
Our peace be now, we need not fear
The future far, becoming near.
~ Adam May (FCHS Class of 2022)
