# Graduation Credit for Middle School Classes

CREDITS & GRADES earned for approved courses **AUTOMATICALLY** calculated into a student’s high school GPA! They will appear in your grade history for review. Students and Parents may choose to **NOT** receive high school credits for qualifying middle school courses. The only way to negate this impact is to OPT-OUT and decline the high school credit.

As stated in PSD Policy IKF-3, the window for declining HS credit begins the **FIRST** day of the student’s ninth grade school year and **ends the LAST day of a student’s ninth grade school year**. You do this using the [PSD High School Credit for Middle School Courses Opt-Out Form](#). The form is on the PSD website or from the FCHS Registrar.
