

## PSD using digital tickets for athletics

To increase safety, security and convenience for fans and community members, the Poudre School District Athletics Department will use digital tickets for football, volleyball, basketball and wrestling at all four comprehensive high schools, effective immediately. The move to digital ticketing allows for faster delivery of tickets to fans, contactless transactions, and flexibility for ticket holders.

As part of the policy change, purchasers will no longer receive a physical ticket at the gate. They will access digital tickets through the mobile Ticket Spicket app or online.

Students who purchased an Activities Pass and show the Activities Icon, located on their student ID, will be admitted without needing to purchase a digital ticket.

### To purchase digital tickets:

Download the **Ticket Spicket** app to access all games or go to <https://events.ticketspicket.com/home>

Search **Fort Collins High School**, **Fossil Ridge High School**, **Poudre High School**, **Rocky Mountain High School** or **Poudre School District**. Tickets sales will open at noon every Sunday for the upcoming week of high school events. If there is a time or date change to the game, your tickets will automatically be adjusted. All seats are general admission.
